## PRAGYAN PREMIER LEAGUE

## EVENT DESCRIPTION :

Pragyan Premier League is a Cricket Management Event, in which participants have to participate in an auction of players, and decide their playing strategy in a virtual Cricket tournament where results are based on matches from the day's world cup game.

- Participants need to buy a virtual squad of 16 players from the entire set of available players subject to financial and balance (Batsmen:Bowler:Allrounders:Wicketkeeper) constraints
- The event is a fantasy cricket league for the ICC WC 2015.
- The players pick their playing 11 based for each game and based on the performance of the players on the game on the world cup, the players will be awarded points.

## FORMAT

- First round matches -ONLINE
- Finals during Pragyan

## RULES:

- Maximum of 2 per team.
- 8 teams selected for the round 2.
- Squads once chosen for round 1 can be changed for every match through the player transfer scheme.
- Player transfer will have an upper bound on the limit and will also have financial constraints, meaning you can only do a fixed number of transfers.
