FAQ

1. What is Trade ? How can I Trade?

Trade is done at the stock exchange. You buy company stock from the stocks in exchange. You enter the amount of stock you want to buy from the company and click on Trade for a successful trade.

2. How can I buy stock from other players?

You can buy stock by bidding for the particular stock. Only when your bid is successful you will receive the stock else it fails. Although you can negotiate for the same stock by sending another bid.

3. Who can participate in Dalal Street?

Anyone with a valid Pragyan ID can participate.

4. Who to approach in case of technical problems or queries?

You can always contact us through our official Facebook Page or call our managers directly in case of emergency. Every player will be notified in case of technical difficulties within Dalal Dashboard under notification or alert tab. Further instructions will be put up on our main site.
